VIRTUAL GRADUATION
SPRING 2020

JUNE 17

TUUM EST

Dear Graduand,

Today's virtual ceremony celebrates your very real accomplishment.

Your graduation began long before this day. It began when you made the choice to study that extra hour, dedicate yourself more deeply and strive to reach for the degree you had chosen to fully commit your life to pursuing.

Many of the people that helped you arrive here today—family, friends, classmates—are watching this ceremony with you. While they may not be physically next to you, they stand with you in spirit, take pride in your achievement and share your joy.

We are honoured to have given you a place to discover, inspire others and be challenged beyond what you thought was possible.

Yours,

UBC

The UBC graduation journey has been forged by the spirit of the university's motto, *Tuum Est*, (meaning 'it is yours') since 1915. Today, you, the graduating class of 2020, now shape UBC's history by making it your own.

1916

One of the first graduating classes was the Arts Class of 1916 pictured here at a party at the home of Mary Wilons. In UBC's first year, there were only three faculties: Arts, Applied Science and Agriculture with 379 registered students and 34 faculty members.

1920s

The twenties saw the student-led Great Trek to claim UBC's Point Grey campus and establish the university as a place of mind for students the world over. The AMS incorporated as a non-profit society and the university began awarding its first graduate degrees to students. In the *Ubyyssey*, published in September 23, 1925, students described the new campus with a sense of wonder: "We are dazed with the appearance of architectural cleanliness and bewildered by our lineal freedom."

1940s

The forties were an era of tremendous change at the university as both students and faculty embraced the war effort. In 1943, new President Norman MacKenzie began in earnest to expand the university and new departments were formed along with new buildings to house them including Brock Hall, the first student union building. By the 1950s, UBC had established itself as a comprehensive university and top choice for students in BC and beyond.

1960s

Student numbers continued to escalate alongside the scholarly activities that began to define UBC as a leader in research. The campus was alive with sixties counterculture and a sixth president of UBC was elected by the name of Dr. Walter Gage. New student residences were created to respond to the expanding student body as well as a new student union building. Students gain influence at the university and are elected to the University Board of Governors for the first time.

1980s

With over 34,000 students registered at the beginning of the eighties, UBC began attracting scholars from all over the world. Engineering students were in the news frequently for their pranks, which included the famous Ladner Clock Tower stunt in which students pulled off hoisting a white Volkswagen Bug onto the top of the tower. Dr. Martha Piper was elected President in 1997 and ushered in an era of international engagement that saw UBC step onto the world stage as an educator and global centre for research excellence.

2020

An entrepreneurial community celebrating our 15th anniversary, UBC Okanagan is an innovative hub for research and learning founded in 2005 in partnership with the Indigenous people of the Syilx Okanagan Nation.

The year 2020 is notable for extraordinary challenges. Months before spring graduation, the global COVID-19 outbreak dramatically altered the socioeconomic landscape. From students assisting frontline workers to researchers developing potential treatments and vaccines, this year's graduates are making a difference by helping to combat the global pandemic. Their determination and resilience is helping them to achieve their goals and shape a better future for all of us.

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the installation of a president or chancellor.

THE UNIVERSITY MACE

The Mace is carried by the ‘Macebearer’ who leads the Platform Party, which includes the Chancellor, the President and other dignitaries, onto the stage for the Convocation ceremonies.

Created by First Nations artist Sheldon Louis of the Okanagan Indian Band, the University Mace is carved from a single piece of alder wood, and combines Okanagan Nation traditions with university customs. The main artwork on the Mace features three symbolic spirit icons—a mother bear with her two cubs, the image of the mountains, and water—given to UBC Okanagan in 2005 by the Okanagan Nation elders. The spirit icon gifts were selected by a group of First Nation elders, led by Andrew McGinnis, an Okanagan Traditional Medicine Keeper from the Penticton Indian Band, and Victor Antoine, an elder of the Okanagan Indian Band. Each spirit icon was chosen carefully for its special significance to the region, reflecting local Okanagan Nation tradition, culture and knowledge.

The Mace also features a number of university symbols, including the UBC Okanagan logo, the University coat of arms and the UBC motto *Tuum Est* – It’s Yours. In addition, the back of the Mace displays the word *Suknaqinx*, which is of the Nsyilxcen language, spoken by the Okanagan’s original people. Roughly translated, it means “the ones who stand on the hill and are seen and heard from far away.”

The University Mace, which was carved in the shape of a paddle, representing the importance of Okanagan Lake to the region’s people, is also inlaid with silver, applied by First Nations silversmith artist Justin Terbasket of the Lower Similkameen Indian Band. The Mace was used for the first time at the 2009 Convocation ceremonies.

THE PROCESSION

President Santa Ono shakes the hand of every student that crosses the stage—that’s over 10,000 students each year. This handshake signifies the transition from student to graduate.

REGALIA COLOURS

The hoods, gowns and hats worn by graduates are lined with colours to indicate the degree to be conferred, a tradition dating back to the Middle Ages when the first universities were founded.

THE CHANCELLOR’S OKANAGAN CHAIR

In 2007, UBC’s Okanagan campus commissioned the creation of a new Chancellor’s chair for use in Okanagan Convocation ceremonies. Handcrafted by master furniture maker Dennis Weidman of Lake Country, BC, the chair was fashioned from cherry wood, a species selected for its significance in the Okanagan’s long history as a fruit-growing region.

The chair’s front panel features UBC’s motto, *Tuum Est*, the UBC logo laser engraved in the headrest panel, and UBC’s coat of arms on each side panel.

On behalf of all UBC alumni, it is my pleasure to welcome graduates and your families and friends on what we hope is a joyful virtual celebration.

No doubt you have been asked: "What will you do after university?" Some of you have made clear choices about what comes next. Others may be less certain, especially in these challenging times, but as graduates of UBC, you are justifiably optimistic that compelling opportunities are just around the corner.

There appears to be consensus among writers and philosophers—and parents—that it is choice rather than fate which determines where the human journey leads. Perhaps Ralph Waldo Emerson said it most succinctly: "The only person you are destined to become is the person you decide to be."

But as you embark on the next leg of your journey, I encourage you to be aware that the learning process is still young. Throughout our lives we make discoveries that stimulate new interests and new ambitions. Such is the wonderment of fate—it is often a welcome stimulus that opens our eyes to previously unforeseen opportunities for success and fulfillment, even on the part of those who are confident in the choices they have already made about the future.

But some choices should never be altered, irrespective of what fate has in store for us. Chief among these are the principles by which we choose to live. Indeed, ours is a world rich in information and opportunity, but it is also a world that has grown increasingly complex, and one whose destiny will be shaped by important choices on the part of all of us.

As alumni of UBC, I hope we are all uniformly proud of our university's reputation for adhering to principles of mutual respect, equity and sustainability, and that these remain our own chosen principles at every juncture on the road ahead. Let us never lose sight of how our actions affect the natural world, nor of the necessity of respectful and mutually beneficial engagement with people of all cultures, including the Indigenous peoples of Canada.

As graduates of one of the world's finest universities, it is incumbent upon all of us to be unwavering in our choices to be contributors to a just, compassionate and sustainable world. As for fate, have no fear. The journey has only just begun, and there is every chance that the unforeseen will be extraordinary!

Warmest congratulations to all.

— LINDSAY GORDON, BA'73, MBA'76
Chancellor

Congratulations! Graduation is a momentous day in your life. It is a time to look back at all you've accomplished and a time to look ahead to what's next.

I hope that when you do look back on your time at UBC, you will do so with fondness, and that when you look ahead, you will see UBC as a part of your future. You will always be welcome here, and we look forward to hearing about your personal and professional achievements as you build on the foundation provided by your UBC degree.

As new graduates, you are joining a large group of remarkable people who have preceded you through this ceremony. Today, the graduates of UBC excel in practically every field of human endeavor. Three graduates have served as Prime Minister of Canada—including the incumbent Justin Trudeau. Seventy graduates have been awarded the Rhodes Scholarship and 65 graduates have won an Olympic medal. Our alumni include scientists, inventors and entrepreneurs, educators, activists, artists, writers and humanitarians. Wherever they may be, our talented graduates are contributing to the wellbeing of their fellow citizens and solving some of the grand challenges that face humanity.

As you begin a new stage in your life and experience, you can be confident that you can and will make a difference, because like the UBC graduates who have gone before you, you possess the knowledge and skills that are conferred by an excellent education.

At every level and in every course you've taken here, you have been exposed to the rigours of critical thinking, to the complexities of problem-solving, and to the need for risk-taking and imagination in the creation of new ideas. You have developed strong communication skills in a variety of media, and learned the value of teamwork and collaboration. You have encountered people and ideas from a wide variety of backgrounds, in the process acquiring a new understanding of cultures and traditions that differ from your own.

As you embark on the next stage of your life's journey, do not be afraid to take up the challenges that await you. You will have many opportunities to turn your hard-earned expertise and knowledge to good use, to become involved in your society, and to offer your ideas and solutions with the confidence that they will be heard and respected.

In his address to UBC's initial graduating class in 1916, UBC's first President Frank Wesbrook encouraged students to make our world a better place in which to live. Today, over a century later, I echo his remarks. I believe each of you has the capacity and skill to succeed and make our world a better place.

As you celebrate this transformational day with your family and friends, take a minute to reflect and think forward to the many ways you might help shape the world in the years ahead.

And one more thing. Graduation should never mean goodbye. As Professor Wesbrook also said at that time, *Tuum Est*—it's your university—today and always.

Best wishes,

— SANTA J. ONO
President and Vice-Chancellor

On behalf of the Syilx Okanagan Nation, the yilmixm's (Chief's) Welcome the University of British Columbia's new Graduates, their families, friends and Relations to the 2020 virtual graduation.

Elders, Chiefs, Board of Governors, Dignitaries, faculty, family, friends, students and the 2020 Graduates, on behalf of the Okanagan Nation Chiefs and our member communities we welcome you virtually to our beautiful Syilx Territory and to UBC's Okanagan 2020 virtual graduation ceremony.

We are pleased to extend a special congratulation to all the new UBC Syilx Okanagan Nation Graduates. We are honoured to be part of your Convocation Ceremony. We want to take this opportunity to recognize your achievement. The honouring of one's intellect and acquiring of knowledge are vital to Syilx people. Moreover, learning has always been valued in our communities. Learning and expanding one's understanding is fundamental to one's well-being and community for our survival as a people.

It is also an important part of Syilx customs and community life to conduct ceremonies that acknowledge and award achievement. Even today, announcements are made within the Nation that "this is a day of significance to this person, (family and/or community) and you are all

welcome to share in this celebration". Today, we are pleased to mark and celebrate the accomplishments of all 2020 UBC Graduates.

The Syilx Okanagan have always shared through their nsyilxcen language, their teaching, their knowledge and their culture with others. It is our responsibility and duty to use these gifts and serve our community. Now as graduates, you too will have this opportunity to share your education. We encourage you to serve your community!

The Okanagan Nation Alliance and UBC remain committed to their new path of partnership and inclusion so that we can all learn to embrace, strengthen and celebrate our diversity. The pursuit of academic excellence will continue to advance and transform our societies. Syilx participation in today's virtual graduation ceremony within the life of this University bodes well for our future and our communities and our country.

The Okanagan Song is based on a traditional song style called skəlmxquin. Skəlmxquin songs belong to the Okanagan/Syilx people collectively. Songs of this style can be sung by any Okanagan/Syilx person using their own phrasing and their own emotion while maintaining the formal rhythm and structure. This song has been called the "Okanagan Song" or the "Okanagan Nation Anthem" because the phrasing and meaning were constructed to celebrate pride in being Okanagan.

Translation of suknaqinx sklmxquinx
Note: the word ałi translates three separate ways in this song.

UBC BOARD OF GOVERNORS

UBC's 21-member Board of Governors comprises the Chancellor, the President, eleven persons appointed by the Lieutenant-Governor, three faculty members elected by faculty, three full-time students elected by students and two people elected by and from the full-time employees of the university who are not faculty members.

By legislation, the board is responsible for the management, administration and control of the property, revenue, business and affairs of the university including the appointment of senior officials and faculty on the recommendation of the president. The governors represent diverse backgrounds, which provide valuable input during board deliberations.

GOVERNOR GENERAL'S GOLD MEDAL

The Governor General's Gold Medal is awarded to the student who has achieved the most outstanding academic record as a doctoral or master's student completing a dissertation or thesis. The Gold Medal is presented on behalf of the Governor General of Canada, along with a personalized certificate signed by the Governor General.

Governor General's Gold Medal

Doctoral Program: **Michael Martin Tymko**

Thesis Title: *The Impact of High Altitude on Endothelial Function in Humans*

This year's recipient is Michael Tymko, graduating with a PhD in Interdisciplinary Studies (Health and Exercise Sciences).

Dr. Tymko's thesis encompassed data collected on three separate high altitude expeditions in the United States, Nepal, and Peru.

The research objective was to determine the impact of hypoxia on blood vessel health in lowlanders and high-altitude indigenous populations. The primary finding was that that blood vessel function was impaired at high altitude, which was mediated by elevated neural activity.

LIEUTENANT GOVERNOR'S MEDAL

The Lieutenant Governor Medal Program for Inclusion, Democracy and Reconciliation recognizes students who have distinguished themselves through their post-secondary education, including through outstanding contributions to the promotion of inclusion, democracy or reconciliation within their campus community.

Lieutenant Governor's Medal

Program for Inclusion, Democracy and Reconciliation: **Dominica Natasha Patterson**

Dominica Patterson is this year's winner, in recognition of her work in human rights advocacy and the promotion of social equality. Dominica is graduating from the Faculty of Arts and Sciences with a Bachelor of Arts, Major in International Relations.

Throughout Dominica's studies at UBC Okanagan, she has dedicated herself to the promotion and recognition of the fundamental rights and dignity of all people. With great passion, Dominica has advocated for marginalized peoples, with a focus on temporary migrant workers in Canada. Dominica's work in researching the temporary migrant worker experience ignited a commitment to the advancement of human rights. She has led and engaged in countless initiatives of outreach, support, and change to foster and promote greater respect, diversity, and inclusion in our communities.

As a result of her dedication, Dominica was invited to participate in the International Solidarity Conference in New York in 2019. Dominica stands out as someone with exceptional potential and ability. She has all of the hallmarks of being an outstanding scholar and someone who will be a practical change-maker around issues of inequality, inclusion and social justice. Dominica's passion and commitment to the promotion of greater global equality are outstanding.

O Canada

O Canada

Our home and native land!

True patriot love in all of us command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Welcome, Class of 2020, to your new and honoured place among more than 350,000 UBC alumni in 140 countries. That's a powerful network to help build your life and make a real difference.

Many students may not realize when you graduate from UBC, you automatically become a member of *alumni UBC* and your relationship with the University enters a whole new phase.

You might be surprised at just who your fellow alumni are, and their levels of accomplishment, influence and contribution to society. No matter where you go, you will find yourself in the company of amazing people who are making a real difference in the world—educators, artists, doctors, nurses, business and community leaders—UBC grads who will be your role models, mentors, colleagues and friends. *alumni UBC* will be your resource to connect through our email updates, website, and social networks.

You can participate in our educational, volunteering, mentoring, and career-building programs, here in the Okanagan, and around the world through alumni networks as far away as London, Hong Kong and Seoul, or as close as Victoria, Calgary and Toronto. Additionally, as we celebrate the 15th anniversary of UBC Okanagan this year, we invite you to join us and fellow alumni at the third annual Okanagan Homecoming from September 25 to 27, 2020.

You can also stay connected through our *alumni UBC* app, with many features including library privileges, online journal access, webinars and podcasts, and special offers for UBC alumni through our corporate partners.

Remember our motto: *Tuum Est* (it's yours). UBC is still yours. It will always be yours.

So reach out. Stay in touch. Ask for help when you need it. Lend a hand when you can. And, if you are in the area, do come back and visit us on campus in the Okanagan. To learn more, visit alumni.ubc.ca.

Best wishes for the future,

— NATALIE COOK ZYWICKI
